Job Narrative:

Schetter Electric provided and installed the electrical installation for the Kaiser Promenade Elk Grove Medical Office Building. The Kaiser Promenade Elk Grove MOB is a 67,500 SQ FT two-story medical office building south of Elk Grove off of Highway 99. Amenities include a physical therapy rehab center, Pharmacy, Healthy Living Store, a full Coffee Bar, Pediatrics, OB/GYN, Radiology, and a Primary Care Department. Schetter Electric, Inc. provided the full electrical design build for the Kaiser Promenade Elk Grove MOB.
